This booklet is organized alphabetically by county and by service. A list of the services included can be found in the **Table of Contents** on the following pages. A complete alphabetical listing of agencies and programs is provided in the **Index** at the back.

“This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number H49 MC01449 to Mother & Child Health Coalition for the Kansas City Healthy Start Initiative in the amount of \$4,890,000.00. Start Early for a Healthy Baby

DO:

- Do tell your doctor and dentist that you are pregnant.
- Do keep all clinic or doctor appointments.
- Do eat healthy foods.
- Do avoid caffeine.
- Do find out if you qualify for the WIC food program.
- Do find out if you qualify for MEDICAID or other health coverage for you and your baby.
- Do get plenty of rest, and exercise according to your doctor's recommendations.
- Do call your doctor if you notice anything unusual, like bleeding, sudden swelling or decreased fetal movement.

- Do read about breastfeeding your baby.
- Do take prenatal vitamins, including folic acid, as recommended by your doctor.
