

Nurture KC presents a screening of
Belly of the Beast

Join us in viewing the 2020 documentary film by Erika Cohn about the illegal sterilization practices in the Central California Women's Facility and other female penitentiaries. The investigation uncovers statewide criminal practices ranging from poor healthcare, sexual abuse and assault, coercive sterilizations, and the targeting of women of color.

Wednesday, September 29th

Virtual Viewing 1:00 p.m.

Group Discussion following the screening
